HAPPY SAINT PATRICK'S DAY!

Dear Constituent,

First, I want wish a great, early St. Patrick's Day to all the people of the Miramichi riding and elsewhere, with Irish roots or not!

It was with pleasure that I received the 'Friend of the River Award' from the Northumberland Salmon Protection Association (NSPA), on 17 February.

This prestigious award recognizes individuals and companies that have made significant and long-standing contributions to the ongoing effort to conserve the Miramichi River's iconic, yet seriously threatened, wild Atlantic salmon population. It is with great humility that I accept this honor.

I would also like to take this opportunity to thank you for your birthday wishes. It was a lot of fun to read your messages.

During February, we marked with pride the 50th anniversary of our national flag. [Learn more here.](#)

Recently, our Government invited organizations across Canada to propose new projects that will help end violence against women and girls.

The Government of Canada will be supporting projects selected through a new call for proposals by Status of Women Canada entitled [Working in Partnership to End Violence against Women and Girls](#). These projects will help end violence against women and girls by fostering partnerships within and among communities, and creating positive change that prevents violence.

Applications for funding are accepted online. Applicants are invited to click on "[Start Now](#)" and follow the instructions to proceed with an online application. The deadline for applications to be submitted is **noon (12:00 pm Pacific Daylight Time) on April 17, 2015.**

Since 2007, the Government of Canada has provided more than \$153 million through the Women's Program at Status of Women Canada for community-based projects. Of this amount \$71 million has gone to projects that prevent violence against women and girls.
